

**Ethics. Equity. Emerging Frontiers.**

A national platform uniting public and private healthcare leaders, innovators, educators, and policymakers to strengthen healthcare system, knowledge, and opportunity across Pakistan.

**23 - 25 July, 2026**

**Expo Centre Karachi, Pakistan**

[www.healthcareexpo.com.pk](http://www.healthcareexpo.com.pk)

ORGANIZED BY

# Healthcare Expo 2026 creates a neutral, inclusive platform where:

Innovation is aligned with real healthcare needs

01

02

Academia for long-term system improvement

Public and private stakeholders learn from each other

03

04

Industry and clinicians exchange practical knowledge

This is not just an exhibition & conference - it is an essential forum for collective progress.

# Ethics, Equity & Emerging Frontiers

## ETHICS

Strengthening trust, standards, and responsibility across healthcare practice.

- ▶ Patient safety and quality of care
- ▶ Ethical use of data, technology, and AI
- ▶ Governance, compliance, and accountability
- ▶ Professional education and best practice

## EQUITY

Expanding access to quality healthcare through inclusive models.

- ▶ Urban–rural access gaps
- ▶ Affordable and sustainable care delivery
- ▶ Workforce education and skills development
- ▶ Public–private collaboration

## EMERGING FRONTIERS

Exploring innovation that is practical, scalable, and locally relevant.

- ▶ Digital health and telemedicine
- ▶ Diagnostics, med–tech, and AI
- ▶ Integrated care models
- ▶ Innovation designed for Pakistan's demography
